

Ocean Wildlife Tours

Activity	Description	Price	Schedule	Notes
3 Hour Tour	Gently cruise the tidal waters of Port Renfrew in search of west coast wildlife. Led by an experienced skipper and certified Marine Naturalist, you'll explore the spectacular natural environment and iconic landmarks such as the lighthouse at Carmanah and Tsusiat Falls, while learning how First Nations ancestors and geography shaped the region. Keep your eyes peeled for telltale blows off in the distance and black bears, deer, bald eagles and other wildlife playing hide and seek in the majestic old growth forests nearby.	Adults (15+) \$ 129 Child/Youth (6-14) \$ 99	Departure Daily 13:00	Not recommended for: Pregnant Women Pre-existing Back or Neck Issues Those in Poor Health Minimum age of 6 years
Custom Charters	Have a spot in mind but don't have a boat, need some logistical help to organize? Do you want to just cruise around or go somewhere specific, bring along an experienced wilderness guide to enlighten your way. We have the tools to help you get there.	Minimum 2 hours	Upon Request	Send inquires to Sheenah via email at adventures@wildrenfrew.com
